Special Interests and Activities

Name(s): _____

I/We would be interested in participating as part of the rally:

- ___ Attending a matinee of the Creede Repertory Theater (Play to be announced later. This might incur an additional charge of approximately \$20.)
<https://creederep.org/>
- ___ Touring the Creede Silver Mining Museum.
<http://www.undergroundminingmuseum.com/>
- ___ Weigh tow vehicle and RV. RVSEF will provide a wheel-by-wheel weight report for each. (Assuming we will be on their schedule.) This will incur a separate charge directly from RVSEF.

I/We would be interested in participating as part of the pre-rally or post-rally:

The activities that occur before the rally are to encourage attendees to arrive before the Labor Day Weekend. These would probably be Friday and Saturday before the rally. A post-rally activity would occur Sunday or beyond after the rally.

If interested, please use a “B” for Before Rally, please use an “A” for After Rally.

- ___ Travel as a group to Chimney Rock National Monument for an Archaeologist-led tour of the Pueblo Ruins (associated with the Chaco Canyon culture).
<http://www.chimneyrockco.org/>
- ___ Travel as a group to the Hot Springs in Pagosa Springs for a late afternoon soak.
<https://www.pagosahotspots.com/hotsprings>
- ___ Travel as a group to the Wheeler Geological Area for a Geologist-led tour. Wheeler is located in a remote location that **requires** a high-clearance Jeep or ATV/UTV to access. <https://www.southfork.org/wheeler-geological-area>
- ___ Have a group “flat water” float in rafts or kayaks down the Rio Grande River.

The area around Creede is a Jeep/ATV/UTV paradise! One can drive their ATV/UTV from the campground into Creede for groceries or just "for whatever". There are trails from the RV Park to the Continental Divide and the head waters of the Rio Grande. There are Jeep trails leading even to Silverton! I will be willing to talk to local Jeep/ATV/UTV rental companies to see if they would offer a discount for rally participants. Please indicate if you would be interested in renting, or going in with another couple/single to rent a Jeep/UTV. (Note: A UTV is a 2-person side-by-side or 4-person off-road vehicle, such as a Polaris, etc. An ATV is a one or two person off-road vehicle where two persons are riding in-line like on a motorcycle.)

If you are interested, please tell me below when, how long, co-rental, etc. I would still expect the rental prices to be in the \$200+/day range, but it will be at the end of the season, so who knows?
